

Project Case Study

Client: New World Resources Services Limited
Project: New London Headquarters
Location: Mayfair, London
Services: Project Management

Logic PM were appointed as the Project Manager for a mining company establishing their new headquarters in Mayfair, London. Our team managed all aspects of the pre-construction process including obtaining Landlord Approval and the appointment of the principle contractor.

As part of our fixed fee service, Logic PM managed the design and construction phase of the works including the management of the client appointed IT contractor, co-ordination of the Fixtures, Fittings and Equipment and the move management from their previous property.

A successful project, delivered on time and below budget. The client said in their testimonial letter:

"The project has more than exceeded our expectations, and our visitors and shareholders, often comment on the high level of quality and finish. Throughout the process you have represented New World Resources Services Limited extremely professionally, ensuring all aspects of the works were managed in detail and delivered on time"

Logic PM can offer advice on any scheme you need to develop.
